TATA CONSULTANCY SERVICES

# Tata Consultancy Services

Tata Consultancy Services (TCS) is an IT services, consulting and business solutions organisation that delivers real results to global businesses, ensuring a level of certainty no other firm can match. TCS offers a consulting-led, integrated portfolio of IT, BPO, infrastructure, engineering and assurance services. This is delivered through its unique Global Network Delivery Model™, recognised as the benchmark of excellence in software development.

A part of the Tata group, India's largest industrial conglomerate, TCS has over 285,000 of the world's best trained consultants. The company generated consolidated revenues of \$11.6 billion for year ended March 31, 2013 and is listed on the National Stock Exchange and the Bombay Stock Exchange in India.
